

Open PhD Positions  
Call for Applications

# Doctoral Program

## Computational Mathematics

### Numerical Analysis and Symbolic Computation

The Doctoral Program (DK) "Computational Mathematics: Numerical Analysis and Symbolic Computation" at the Johannes Kepler University Linz, Austria, is offering PhD positions for the duration of three years. Our interdisciplinary PhD research program is financed by the Austrian Science Fund (FWF).

#### Overall goal

**Intensive PhD training (interdisciplinary courses and seminars)  
in two fundamental areas of computational mathematics  
and their interactions: numerical analysis and symbolic computation.**

**Applications will be considered starting January 2018  
until all positions are filled.**

#### Participating institutes

Institute for Algebra  
Institute of Applied Geometry  
Institute of Computational Mathematics  
Industrial Mathematics Institute  
Research Institute for Symbolic Computation (RISC)  
Institute for Stochastics  
Johann Radon Institute for Computational and Applied Mathematics (RICAM) of  
the Austrian Academy of Sciences
